- Click **New Request**.

Step 2: Complete the Form

Fill out the SF-182 that is displayed on the screen.

- Click **Submit**.

Step 3: Verify Approver

- Click **Show All** for the initial approval step to verify your supervisor.

Step 5: Attend Training

After you attend training, you will receive an e-mail notification to complete the mandatory SATERN online verification. If you attended an academic course, you are required to submit your final grade to your Center training office. Please complete the verification and submit your final grade to receive credit on your Learning History.

How do I submit an external training request?

The SF-182 Request, Authorization, Agreement and Certification of Training is the official form for all external training requests. Eligible NASA civil servants may submit a request for external training (e.g., conferences, academic courses, and other external events) via the SF-182 form. NASA employees submit electronic requests for external training online and have them automatically approved, tracked, and recorded in SATERN.

How do I copy an external training request?

To copy an external training request that has been submitted, click the **Copy Request** button to open the form, make any changes, and submit the new request.

What if I submitted the form with an incorrect supervisor?

Update your supervisor by navigating to the home screen and click on Easy Link **Talent Profile**. Click the pencil icon in Employee Information to search for and select your correct supervisor. Set Supervisor By-pass Flag to **Yes** then click **Save**. Return to the External Requests (SF-182) main page, click **Withdraw Request**, and confirm by clicking **OK** to cancel the original form. To copy and resubmit the form, click **Copy Request**.
